**Guests of Walt Disney World Swan and Dolphin – including the new Walt Disney World Swan Reserve – to receive extra time to play every day at Walt Disney World theme parks starting Oct.**

*Hotels to receive both early entry and extended evening hours*

Starting in October, as part of “The World’s Most Magical Celebration,” guests of the Walt Disney World Swan and Dolphin will be able to enjoy extra time to play every day in the Walt Disney World theme parks with early theme park entry and extended evening theme park hours.

**Early Theme Park Entry**

Starting October 1, 2021, guests of the Walt Disney World Swan and Dolphin will be able to enjoy more fun with 30-minute early entry to any Walt Disney World theme park, every day - available at all 4 Walt Disney World theme parks.

For early theme park entry, guests will need valid admission, a park reservation and Resort ID.

**Extended Evening Theme Park Hours**

Also beginning in October, guests of the Walt Disney World Swan and Dolphin can enjoy [extended evening hours](#)—experiencing select attractions, shops and dining after regular park hours—in select theme parks on select nights.

Together with early theme park entry, guests of the hotels will get to arrive earlier and stay later to maximize their time in the parks during “The World’s Most Magical Celebration!”

Specific dates and parks for extended evening hours will be shared later.

For extended evening hours, guests will need a valid Resort ID, valid admission and a theme park reservation for the same park on the same day. (Or a ticket or annual pass with the Park Hopper Option, provided you entered the park where you made your reservation earlier in the day.)

Both benefits will be available to guests of the hotel’s newest addition, the [Walt Disney World Swan Reserve](#), opening later this summer.
