### **New Mediterranean Restaurant Amare to Debut with Opening of Walt Disney World Swan Reserve**

*Restaurant will be one of four new restaurant and lounge options coming to the new resort*

**LAKE BUENA VISTA, Fla. – Oct 18, 2021** – Four new restaurant concepts will debut as part of the Walt Disney World Swan and Dolphin’s expansion, the Walt Disney World Swan Reserve, when the tower opens: the full-service restaurant *Amare*; poolside bar and grill *Tangerine*; grab-and-go *Grounds* and lobby lounge *Stir*.

The hotel’s signature restaurant will be the Mediterranean-inspired *Amare*.

*Amare*, which means “to love”, is a casual upscale venue inspired by the tastes and cultures of the Mediterranean region. The menu focuses on highlighting fresh premium ingredients popular in the area, including a wide variety of seafood, citrus, olive oils, pasta and pitas.

The restaurant will feature an extensive Mediterranean-based wine list featuring several specialized wine flights with selections from across the region.

“At *Amare*, our guests experience a journey to the Mediterranean region through their palates,” said Walt Disney World Swan and Dolphin Director of Food & Beverage Luciano Sperduto. “It’s a region with such a rich history of food, with so many great flavors to feature. The concept gave our culinary team an opportunity to really flex their creative muscles. There are great options for everyone *to love*.”

Some of *Amare*’s menu highlights include:

- Breakfast: Breakfast buffet, breakfast bowls and a la carte items including Eggs Au Cheval (two farm fresh eggs, seared medallions of angus beef tenderloin, sauce bearnaise and house breakfast potatoes)
- Lunch: Salads, flatbreads and entrees including grilled line-caught mahi-mahi with lemon, Tuscan kale and Spanish caper emulsion
- Dinner: Appetizers including hearth-fired Tiger Prawns and charred octopus, and entrees including sea bass al cartoccio, and handmade manti dumpling filled with baharat spiced lamb, cauliflower, roasted eggplant, tomato, yogurt sauce
- Dessert: Pistachio caragli (rolled baklava), Greek yogurt cheesecake and Meyer lemon panna cotta

At *Tangerine*, guests can enjoy signature drinks poolside along with casual fare including flatbreads, salads, burgers and sandwiches, and stay cool with the restaurant’s signature popsicle – tangerine flavored, of course.

The resort's grab-and-go outlet, *Grounds*, will feature craft coffee, sandwiches, pastries and more, providing a great way to fuel quickly for a day of meetings or visiting the theme parks.

*Stir* offers an airy, tropical feel in the lobby and will serve specialty cocktails and light bites including Chef's selection of handcrafted salamis of Spain & Italy and a Soppressata, red onion, torn mozzarella, San Marzano flatbread. Additionally, *Stir* will offer special food and drink pairings, which change daily, exclusively for Walt Disney World Swan Reserve guests.

As a nod to the area's rich citrus history, menu items throughout all four venues at the Swan Reserve will feature citrus-inspired menu items including entrées, desserts and craft cocktails.

The four new restaurants are part of 22 dining venues at the Walt Disney World Swan and Dolphin. With a variety of restaurants and lounges and a distinguished culinary and beverage team, the Walt Disney World Swan and Dolphin continually earns national recognition for its food and beverage program. The resorts boast numerous certified wine sommeliers and more than 1,400 wine selections.
