- We will work with you to book wedding vendors as needed, either by assisting with recommendations or creating a custom service package. (Additional fees apply.)
- Your Just Marry! On-Site Coordinator will confirm plans with all vendors involved in the ceremony and reception. We will also make sure that all vendors have everything they need to execute their services to your specifications.
- You and your vendors will receive a detailed agenda outlining the wedding day events.
- A member of your Just Marry! Planning Team will participate in the tasting (schedule permitting) and attend the tie-down meeting prior to the event date as applies.

The Rehearsal

Your Just Marry! On-Site Coordinator will attend the rehearsal. Based on the needs and requirements of the officiant, we will attend and either direct the rehearsal or take notes so that we may assist the officiant on the wedding day.

- Directing the wedding party down the aisle, spacing them appropriately and instructing them with regard to music, their pace and where to stand.
- Assisting family members with their assigned duties.
- Directing guest flow from ceremony to the cocktail hour and into the reception.
